the European Court of Human Rights (ECHR). As well as explaining the principles of the European Convention on Human Rights (and its role in UK law), the book provides step-by-step guidance on the practices and procedures involved in bringing a case before the ECHR, ensuring that practitioners have a comprehensive guide to practising in the Court. The new edition will provide an update on the relevant procedures, case law and problem areas, as well as including a clear explanation of the organisation and structure of the ECHR, the latest trends in case sources and topics, and coverage of key provisions and general principles organised by subject area.
