concept. To do this, a Strategy-as-Practice (SAP) lens was applied on empirical findings from a large construction company. SAP is a rather recent stream of research which portrays strategy as a socially constructed activity inherent to organizational life. Based on this perspective this thesis has considered strategy and organizational

~~Properties—Concept Developments~~

Concept development is a process of developing ideas to
solve specified design problems. The concepts are
developed in phases, from formless idea to precise message
in an appropriate form with supportive visuals and content.
Once you have done your research and understand exactly
what you want to achieve and why, you are ready to start
working ...
