Robert McRuer's Crip Theory: Cultural Signs of Queerness and Disability, is on the edge of the edge of both Disability and Queer Studies. It's also on the edge of queer and crip activism and social movements. McRuer begins his book with an introduction to his theory of compulsory able-bodiedness. This system produces disability and is woven together with the

A strand of critical cultural analysis that, alongside ‘ queer perspectives and practices ’ , has ‘ been deployed to resist the contemporary spectacle of able-bodied heteronormativity ’ , as Robert McCruer (Crip Theory: Cultural Signs of Queerness and Disability, 2006) puts it. Dominant conceptions of able-bodiedness in sport are vulnerable to critique in the sense that they have often matter-of-factly assumed the ideal body to be the platform for and pinnacle of sporting excellence.
