Gasp (Visions #3) Lisa McMann. One. It's been a week since the shooting, and we're back on the University of Chicago campus. Ben Galang's eyes light up when he sees us, and he opens his dorm room door wider to let us in. Sawyer and I step inside and stand awkwardly in the crowded space while Trey eases in after us, taking care not to bump ...

Gasp has been on my wishlist for a while since I love Lisa's fast paced books about kids with visions. Jules is the main character and I adore her heart for others, wanting to help and do all that she can. Her narrative voice is right up my alley because she is snarky and I can relate with what she is going through.
