Pearson FlexText ...setting you up for success in school and at work Horngren's Accounting presents the core content of the accounting course in a fresh format designed to help today's learner succeed. The often difficult and intimidating topics in introductory accounting courses are reinforced with a wide variety of exercises and problems allowing students to practice similar questions many times until the concepts are clear. Our experience has taught us that what first-year accounting students want most from a FlexText is help in mastering course material to do well on examinations. We have developed this FlexText to respond specifically to that demand.

For courses in Principles of Accounting Redefining tradition in the accounting course. The tenth edition of Horngren's Accounting presents the core content of the accounting course in a fresh format designed to help today's learners succeed. Built upon the foundation of the Horngren franchise, this new edition was created by an all-new author team who sought to bridge the gap between textbook content and classroom instruction techniques. New pedagogical features such as Instructor Tips & Tricks and Common Questions, Answered walk students through the material as a great instructor would, fostering deeper understanding of accounting theory and practice. The table of contents for the tenth edition has been significantly overhauled to match the way the contemporary course is often taught. Additionally, the whole text has been put through a rigorous accuracy check, so instructors can be confident that it is up-to-date and error-free. And thorough integration between the text and MyAccountingLab places practice opportunities just a few clicks away--and provides a truly interactive learning experience.
