The death poem, or jisei in Japanese, is expected to be composed in addition to a last will and testament. This book's masterful compiler, Yoel Hoffmann, notes in his introduction that jisei have been interpreted as final concessions to politeness and proper social conduct (i.e., they are salutations to those still living), but quickly dismisses this theory by showing how few of these poems ...

Japanese Death Poems: Written by Zen Monks and Haiku Poets ...

The development of writing jisei is then examined—from the poems of longing of the early nobility and the more "masculine" verses of the samurai to the satirical death poems of later centuries. Zen Buddhist ideas about death are also described as a preface to the collection of Chinese death poems by Zen monks that are also included.

This book is both essentially a poetry book, that lists hundreds, if not thousands of poems written by both Monks, Samurai, and other poets from the 12th century, to the late 19th. The haiku are presented in English, with their Japanese translation in Romaji, to allow you to `read' them in their original form, should you so desire.
