Victor Psychiatrists—Psychiatrist Victor, Ontario County—

Ayurveda teaches that three qualities, called doshas, form important characteristics of the prakruti, or constitution. These doshas are called vata, pitta, and kapha, and they all have a specific impact on bodily functions. Adherents of Ayurvedic medicine believe that each person has an individual, "tailored" balance of the three doshas.

Ayurvedic Treatment Articles | Online Ayurveda Magazine—

Ayurveda treatment starts with an internal purification process, followed by a special diet, herbal remedies, massage therapy, yoga, and meditation. The concepts of universal interconnectedness, the body's constitution (prakriti), and life forces (doshas) are the primary basis of ayurvedic medicine. Goals of treatment aid the person by eliminating impurities, reducing symptoms, increasing resistance to disease, reducing worry, and increasing harmony in life.
