Economics 3rd Edition Pdf - Maharashtra
A new Third Edition of this book has recently been published that updates most of the information contained in the 2nd ed. Althouth about $20 more expensive, this updated information, along with other improvements (i.e., expanded chapters, very detailed cost-breakdown information on a variety of different types of vessels, etc.- for more details see my review of the third edition) make this extra $20 a worth while investment.
