Known for its visual approach and comprehensive, easy-to-read coverage, this market-leading text emphasizes the importance of the patient or resident as a person, communication, safety, comfort, effective delegation, and teamwork and time management. This edition provides expanded content on the person's rights and pressure ulcers. The updated companion CD includes three new procedures, an updated audio glossary, and more. Written by respected educator Sheila Sorrentino and expert co-author Leighann Remmert, Mosby's Textbook for Nursing Assistants makes nurse assisting easy to learn. Complete coverage includes the knowledge and skills needed by the nursing assistant. A clear, readable writing style is supplemented with hundreds of full-color photographs and illustrations. Over 100 procedures are divided into pre-procedure, procedure, and post-procedure sections for easier learning. Skills on the NNAAP® exam are highlighted throughout and have been updated to match the 2012 test plan. Delegation Guidelines identify your specific responsibilities in accepting commonly delegated tasks. Teamwork and Time Management boxes indicate ways you can efficiently work with and help nursing team members. Promoting Safety and Comfort boxes detail measures and cautions for providing safe, effective patient care. Caring About Culture boxes help you learn about the beliefs and customs of other cultures so you can provide appropriate care. Focus on Children and Older Persons boxes provide age-specific information about the special needs, considerations, and circumstances of children and older persons. Focus on Long-Term Care and Home Care boxes highlight information vital to providing competent care in these settings. Focus on Communication boxes provide guidelines for what to say and ask when communicating with residents, visitors, and the nursing team. Key abbreviations are included at the beginning of each chapter, with a comprehensive glossary at the back of the book. Key terms introduce chapter content with the important words and phrases. Chapter Review Questions are useful in guiding your study, reviewing what you have learned, and studying for a test or the competency
