User Manuals | Whirlpool Australia

We have a Whirlpool microwave model
WMH31017HZ-3. The light bulb on the
underside burned out. We bought a

File Type PDF Whirlpool Microwave Owner Manual

replacement bulb (LED) and installed it.

Now the light bulb will not turn off.

Pushing the Light button cycles through "Full" for a bright setting, "Half" for a dimmer setting, and then there is no longer an "Off" as there was previously.
